Responsible Parking Report Card: Do not park on our Zig Zags!

- ★ As a driver, you have a responsibility to park in a safe and considerate manner. If you don't, you could be endangering a child's life.
- ★ Perhaps you can re-think your journey to school; try walking, cycling or scooting – even if it's just one day a week, it can make a big difference!
- ★ If you need to drive your child to school, for their health and wellbeing, consider park & stride or car sharing.

Please park with care and help make the area near and around the school a safer place for pupils. Find out more at: www.responsibleparking.co.uk
